Financial Assistance Sub-Award	=	FSA

On Sept. 24, 2002, ANTHC and the Native Village of Eyak executed an FSA authorized by the Denali Commission to repair and renovate an existing healthcare facility in the Native Village of Eyak, Alaska. The project did not involve ground disturbance.

The project was funded with \$154,200, via Denali Commission Financial Assistance Award No. 0071-DC-2002-I24, Amendment No. 1, dated September 2002.

B. REVISION OF PROJECT FUNDING

This Amendment adds \$47,467.12 to reimburse the cost of equipment and furnishing. The additional funds are provided via Denali Commission Financial Assistance Award No. 0100-DC-2003-I13, Amendment No. 3, dated February 2007.

Project funding therefore totals \$201,667.12.

MEMORANDUM

DATE: March 2007

FROM: Director, Central Engineering Services

SUBJECT: Village of Eyak – Environmental Review
Project No. AN 02-G63, Amendment No. 1

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in September 2002 with respect to the proposed sanitation facilities construction at Eyak, Alaska under Project No. AN 02-G63. This Amendment will not change the scope outlined in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
